New Life Marriage Preparation

Marriage Requirements

Due to the size of our church, our policy is to marry members only.

You may inquire about membership by calling the church office at 614.475.8500.

The bride & groom must individually confess a personal commitment to Jesus Christ as Lord and Savior.

New Life will not knowingly marry unbelievers or join an unbeliever to a believer in marriage. (2 Cor 6:14-18). God's word is clear regarding spiritual compatibility between marriage partners.

The bride & groom must be scripturally eligible to be remarried.

We believe the scriptures give only 4 approved grounds for remarriage:

Your former spouse is no longer living

Romans 12:2 1 Corinthians 7:39

You were divorced from your spouse as a victim of marital unfaithfulness

Matthew 19:3-9

Your spouse divorced you because of your commitment to Jesus Christ

1 Corinthians 7:15

You were married and divorced before accepting Jesus Christ as your Savior. You are now a born-again Christian and want to marry a born-again Christian.

2 Corinthians 5:17

3. The bride & groom must abstain from physical intimacy or living together.

God created sex for marriage. He gives us clear instructions in 2 Cor 6:3 that sex was designed for couples in a marriage covenant. God's word also gives us clear warnings and consequences of sex outside of marriage. We will ask all engaged couples to sign a purity covenant at the beginning of the engaged process.

If you meet the above requirements and want to have a wedding and/or reception using a New Life pastor or the church facilities, the process is listed on the next panel. There is no shortcut to building intimacy, trust, and understanding in your relationship. We ask that you have known each other for a minimum of 1 year and a minimum of six months between the beginning of the engagement to the date of the wedding. Because you need time to plan a wedding and prepare for marriage, we ask that you contact the church office as soon as possible following your engagement.

Marriage Preparation Process:

The bride & groom will obtain an Initial Information and Eligibility form.

Form will be turned in to the marriage administrative assistant. Names will be put into the engaged database. If couples request using the church facility or pastor, they will be sent an application for use of the church facilities for weddings.

The bride & groom will then schedule a meeting with a pastor to discuss wedding details on the questionnaires. Specific requirements to be married at New Life will also be discussed.

If using the church facility for your wedding or reception, you will meet with a New Life wedding coordinator to finalize the registration of church facilities.

Following the interview, the couple will be asked to complete a Focus inventory. These inventories help alert the premarital counselors and the engaged couple to areas needing special attention. There is a \$40.00 per couple fee for this inventory.

All couples will need to complete the New Life Preparing For Marriage Classes.
